March 1st is Saint David's Day.
To honor the patron saint of Wales, Welsh League of Arizona
is celebrating this event with the generous support of the
City of Chandler. All are welcome to make this event
the biggest Welsh gathering in Arizona's history!

OCEANS APART, the hardest working Welsh band in North America, will entertain you and lead us all in singing Welsh folk songs and other classic tunes. Storyteller LIZ WARREN from South Mountain Community College's Storytelling Institute, who captivated us all at our February meeting, will be on hand to introduce us to fascinating ancient Celtic myths from Wales. You may purchase lunch or other refreshments from Churchill's regular menu which includes traditional Welsh dishes and ale -- see www.churchillspubandgrill.com
